

Seasons Greetings to you from all at LMC

YOU WILL NEED:

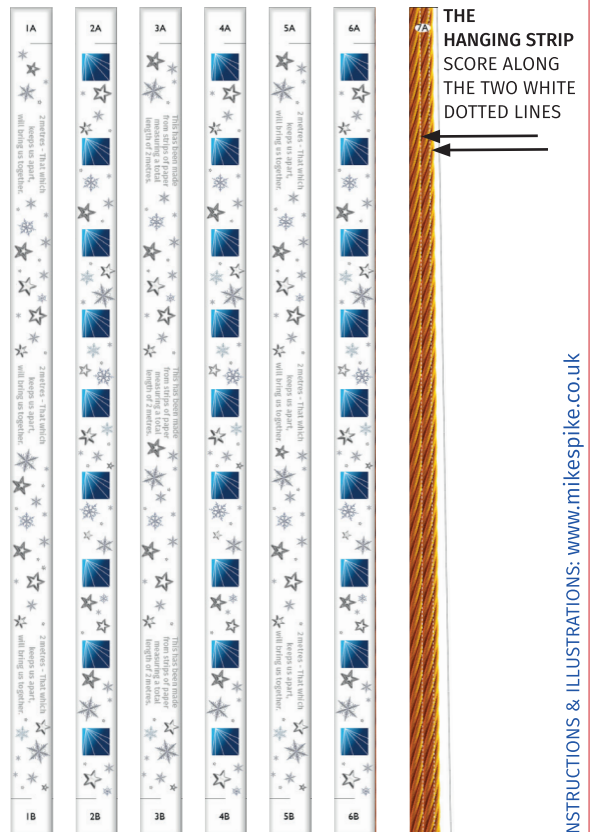

- To print this A4 artwork on a white sheet of paper 80/90gsm, **OR** (for better results use thin white office card 160gsm)
- Something to cut out the strips e.g. Scissors, or Craft knife, cutting mat and cutting edge/ruler
- Something that can be used as a stylus, e.g., a ball point pen that has run out of ink (to dent/score the paper/card before folding it)
- *Optional - not essential but we found useful:**
- Low-tack sticky tape, (removable/masking tape)
- A small shallow food bowl (about 12cms diameter)

The LMC festive bauble kit:

This kit consists of 7 strips of paper which if laid end to end will reach the currently significant length of approximately **two metres**.

PREPARATION

- SCORE THE TWO WHITE DOTTED LINES
- THEN CUT OUT THE 7 STRIPS ALONG THE BLACK LINES (THIS PICTURE SHOWS THE 7 STRIPS)

CUT OUT THE HANGING STRIP ALONG THIS BLACK LINE
